BASIC SETUP:

1. Give each player **7 puzzle boards** and a **set of 9 tiles**.
2. **Choose your difficulty level.** (For easier gameplay, use the green side with 2 shapes. For more of a challenge, use the yellow side with 3 shapes.)
3. Place your **puzzle boards in a stack** with the side you want to play face down.
4. **Pour the gems** into the cloth bag.

HOW TO PLAY:

1. **Select a new board** from the pile and place it in front of you with your chosen difficulty level facing up.
2. **Find the tiles** depicted on your puzzle board and place them next to you.
3. **Flip the hourglass** over – the round has begun!
4. Try to **fill in the entire white space** on your puzzle board using only those 2 or 3 predetermined tiles.
 - ✓ DO: Turn or rotate any of the pieces as necessary.
 - ✗ DO NOT: Stack, overlap, or place tiles outside of the white puzzle space.
5. **Collect the gems** that you earned that round, then **choose a new board and repeat** for the rest of your puzzle board stack.

HOW TO WIN:

1. **Complete the puzzle as fast as you can.** The faster you finish, the more gems you earn.
2. The player with the **most gems at the end of 7 rounds** wins the game!

EXTRAS:

- Rulebook includes variant for **solo play**
- **Fun for the Whole Family!** Play the original, more challenging version alongside this junior edition.
- **Also available:** travel-sized editions, 3D challenges, and the classic full-size board game
